5. Prediction page:

The screenshot shows a web browser window with a dark green header. The browser tab is titled "Loan Approval Prediction". The address bar shows the URL "127.0.0.1:5000/predict". The main heading of the page is "House Loan Eligibility Prediction". Below the heading is a sub-heading: "Please enter the details in order to check your house loan eligibility". The form contains several input fields and dropdown menus: "Gender" (dropdown with "male" selected), "married" (dropdown with "yes" selected), "dependents" (text input with "1"), "education" (dropdown with "graduate" selected), "self_employed" (dropdown with "no" selected), "Applicant Income (\$)" (text input with "7000"), "Coapplicant Income (\$)" (text input with "4000"), "Loan amount in thousands (\$)" (text input with "500"), "Loan Amount Term (in months)" (text input with "360"), "Credit History" (dropdown with "yes" selected), and "Property Area" (dropdown with "urban" selected). A green "Submit" button is located below the form. Below the button, the text "Congrats!! you are eligible for the loan" is displayed. At the bottom, there is a green button with the text "Press here to logout".
